**COVID-19 VACCINE – REQUIRED / RECOMMENDATIONS PER CHANGING LAWS**

- The State of Washington and WADOH require all licensed or certified patient care providers to be completely vaccinated with the COVID 19 vaccination by October 18, 2021, in order to provide patient care. This new law governs patient care provided by students. The YCDEMS does not require you to receive this vaccination to start this course. It is required that you have either completed the COVID vaccination or submit proof of an approved waiver by your agency\* in order to complete the required field experience portion necessary for course completion. **Please provide proof of vaccination or waiver no later than February 18, 2023 and take your vaccination record or waiver with you for your schedule ride time.** If for some reason the law changes, we will adjust as needed to comply with the law.

All students are required to dress professionally at all class days. Shirts may be provided, but all students must have the following:

<ul style="list-style-type: none"> <li>Dark colored EMS Pants, Jeans or Slacks Zero tolerance for “fashion jeans” or holes in the jeans.</li> </ul>	<ul style="list-style-type: none"> <li>Black or dark colored closed toe shoes or boots</li> </ul>
	<ul style="list-style-type: none"> <li>Belt that is black or dark colored</li> </ul>
	<ul style="list-style-type: none"> <li>Shirts should be tucked in</li> </ul>

**All students are required to provide proof** that they have **medical insurance and professional liability** insurance that covers the student during the course (through work or private insurance or department).

**All students must have a background check with in the last 10 years, a drug screening within the last year and a TB 1-Step test within the last year.**

Contact the EMS office ([diane.koch@co.yakima.wa.us](mailto:diane.koch@co.yakima.wa.us)) if you need to obtain a drug screening (the drug screenings are generally completed through the agency). If you do not have a drug screening through your agency, any drug screening will be at your own expense. Proof is required.

Background checks may be done on-line with the Washington State Patrol <https://watch.wsp.wa.gov/WATCH/Home/Index> Proof must be provided.

Students will receive a course completion certificate from the YCDEMS, provided all requirements of the course have been successfully completed.

**To receive a Washington State issued EMT card, students must also:**

- Successfully complete the National Registry Exam within 24 months. Students are strongly encouraged to take the NREMT cognitive exam as soon as they are released to do so. Preferably within 3 months of the last scheduled day of class. (Statistics have been kept, and those students who take the exam early generally pass. The longer students wait, the more likely they will fail.)
- Complete the Washington State Initial Certification paperwork
- Return the completed Washington State Initial Certification paperwork to the YCDEMS Office for MPD signature
- YCDEMS will be forward your application, with the appropriate attachments to the Washington State DOH

The schedule is subject to change, as needed. If you have any questions, or concerns, please call the office at 509-574-2145.

**Please note:**

**\*The approved waiver from your agency may not be accepted at all clinical sights. If a student has a waiver, then they may be required to wear an N-95 mask, while completing their clinical ride time, unless actively eating or drinking.**

**\*\*There are patient contacts, commonly referred to as “clinicals or ride time” required by the Washington State Department of Health in order to complete the EMT course per State WACs and the EMS Training Program and Instructor Manual. Due the variances in agencies and facilities, facilities/agencies may refuse entrance if a student is not fully immunized. The Yakima County Department of EMS does not regulate EMS agencies or hospital facilities. \*\***
