

2019 Washington State EMS Evaluator Courses – Initial and Refresher

If you wish to become a Washington State EMS Evaluator, you must be certified at the EMT level or higher for at least 1 certification period (3 years) and you must attend the **Initial Washington State EMS Evaluator Course**. Below is a list of courses being offered in Yakima County.

If you are currently a Washington State EMS Evaluator, you must attend **one** refresher course during your **certification period**.

Please note that **YOU MUST** attend a Washington State EMS Evaluator Refresher Workshop to keep your current EMS Evaluator status. EMS Evaluator status will be renewed when you recertify as an EMS provider.
