

Ride for Life EMS Gives Back May 15, 2016

Riding Season is here!

But it is always the season for taking care of people. Help celebrate **EMS Week** with one of several local rides. You can ride alone, with a small group of friends, or with a large group (all rides are leaderless.)

There will be a 50-50 raffle and we would like donations from all of the rides. All donations will go to the Yakima County United Way.

After the ride come join, meet, and mingle with those committed to helping others at Sarge Hubbard Park for a barbeque (\$3 donation) celebrating EMS Week from 3 – 6 pm.

There will be games for all and a dunk the fire chief tank.

Rides include:

Yakima – Goldendale – Bickleton and back

Yakima Canyon – Ellensburg – then either Cle Elum and back or Vantage Hwy – Mattawa – Moxee and back

or map your own route

Starting point – EMS Office @ 2403 S. 18th Street, Union Gap at 9 am on May 15th
