

2023 OTEP Workshop Makeup Schedule

Rules for Workshop Makeups

There are several opportunities each year to attend a missed workshop, therefore official makeup workshops must be attended.

No more than 2 workshops may be made up in a single day. **NO EXCEPTIONS**

Pre-registration is required to attend a makeup. If you are not pre-registered, you will not be able to attend. We are requiring pre-registration to ensure that enough supplies and instructors are available, as this has become an issue.

Schedules are subject to change without notification

Remember that with our new OTEP schedule, the Module in Ninth Brain and the corresponding Workshop are due quarterly.

If you wait until the end of the year to complete OTEP, when it is time for your recertification, you will be out of compliance and will be moved over the recertifying using CME, which includes taking a National Registry Assessment Exam.
