Agency/Department	Representative	Feb	April	June	Aug	Oct	Dec
South Central Region EMS & Trauma Care Council	April Borbon	X		X	CAN-CELED	X	
Yakima Health District – Emergency Response Coordinator	Andy Wilson					X	

It is the responsibility of the representative to contact his/her alternate when he/she is unable to attend the meeting.

By-Law, Article III

1.1 Each seat will select one representative and one alternate to the Board of Directors. Each seat will be permitted one representative with one vote. Alternates vote in the absence of the regular representative. All members of the Board of Directors shall be selected prior to the annual meeting for the coming year.

Draft

1. **Roll call** with 13 members present, representatives, alternates and ex-officio members. alternates were voting at this meeting (Per By-laws Article V, Officers/Committee 5.0 Chairperson "The council Chairperson shall vote only in the case of a tie vote." Therefore, his/her alternate would be the voting member).

2. **Guests**: Crystal Hedrick, Multicare Memorial

3. **Approval and correction of minutes**.
   Ken Eakin made a motion was made to approve the minutes from October 5, 2023, and Wayne Guckert seconded. Motion passed.

4. **Correspondence – None**

5. **Committee Reports**
   Medical Control: Kevin Hodges
   Next MPD Quarterly Meeting will be Friday, January 12, 2024. Please attend in person if possible.

   Working on protocol review. If anyone has ideas for something in the protocols, please let us know. Brief report from Jeremy Rodriguez on protocol review and update. Joel Byam will look for someone from Fire District #5 to participate.

   Regional Council: Dave Lynde
   - **RAC**
     - ✓ EMS Naloxone Leave Behind Program presentation. The DOH has a Naloxone Leave Behind Program which is open to first responder agencies. Guidance for EMS and naloxone is on the DOH website as is the link to apply to participate in the leave behind program. Sean added that some agencies are buying naloxone at a very high price because they are locked into contracts with pharmaceutical suppliers, but generic naloxone can be ordered from the manufacturer for $41 a vial.

   - **DOH Update**
     - ✓ The regular DOH update given to regions is available on the SharePoint site. Dolly Fernandes is on leave so Catie is filling in for her, Dawn is filling in for Catie, and Scott is filling in for Hailey, but has just been made permanent. Dawn's position will be open soon as a temporary position. The section is very short staffed currently. Anthony Partridge resigned so his position will be posted soon as well; their section is very short staffed, so they are prioritizing the work that needs to be done.
     - ✓ They will soon be working on new legislation. The CR101/102 trauma rules were rescinded because there was no consensus; they will look at other options for this. This has to do with hospitals and hospital levels.
     - ✓ They are finalizing the stroke and cardiac study.
     - ✓ If you are sending in protocols for the department to review, use track changes and expect delays to getting them reviewed.
     - ✓ At the MPD meeting last week the skills sheets were updated and will be posted on the DOH website soon, the SMC document was added, and the NREMT is no longer doing psychomotor skills evaluations.

Draft

- ✓ The multicultural health awareness document is almost finished, and they will create a PowerPoint presentation for this as well.
- ✓ NREMT testing vouchers are still available, contact Dawn Felt at dawn.felt@doh.wa.gov or 360-326-2842.
- ✓ The protocols group will meet in January.
- ✓ The education workgroup will meet on the (December or January) 28th.

➢ **Pre-Hospital Trauma Triage Tool**

- ✓ The pre-hospital Trauma Triage Tool has been completed. It has been posted on the DOH website and the DOH is now holding webinars on this. Rollout will be in January 2024; full implementation will be required by January 2025. Any deviation from this tool needs to be approved by the state. This tool needs to be included in region PCPs by the end of 2024.

  This will be part of OTEP for 2024 in Yakima County.

➢ **Steering Committee**

- ✓ OCHS report. This season is a short, non-budget, legislative session. They are working on a budget proposal for rural healthcare workforce support and a uniform approach to expanding DOH enforcement tools for the 2024 legislative session. The governor's budget should be released soon.

- ✓ They are working on the cardiac and stroke report and trauma designation/trauma funding.
  - Looking at legislative options for the drop in the trauma fund, opioid crisis (supporting data and the role EMS has in buprenorphine administration), and enforcement (assess staffing and impact on EMS).

- ✓ CR101/102 for trauma designation rules has been officially withdrawn due to substantial opposition to the proposed rules. They will continue to use the existing rules for trauma designation.
  - The state will be conducting a needs assessment for the need and distribution of trauma facilities/services. Regions will be asked to participate in this assessment. Dr. Buck is concerned that a lot of work has already gone into this but now we are back at square one with the assessment. The office will develop a new timeline for this process. There were comments from several frustrated people who put a lot of hours into the previous designation rules that now seems to be tossed out.

➢ **WEMSIS/EMS/Trauma Registry Update**

- ✓ They are preparing to submit the updated WEMSIS rules to the DOH for review. They needed to make corrections due to the change from WEMSIS 3.4 to 3.5. Public comment for this should be in January. They are receiving trauma registry data from hospitals again and are working with the last four hospitals on reporting. They are backlogged on the validation of the data. Data should be available early next year. They are working on a plan to seek funding to modernize the trauma registry system. They will ask for comments on the RFP package for the new trauma registry. They anticipate a new trauma registry system in 2027.

Draft

- **Cost TAC**
  - ✓ Trauma fund revenue comes from a fee on traffic infractions and sale/lease of cars. This equals about $834,000 per month. Since 2008, funds have been dropping; it's now at $10 million per year. Funds might be dropping because the rate of law officers is declining so maybe they aren't writing enough tickets. Also, the number of new vehicles sold is also dropping on a per population adjusted basis. Per Eric McNamara from SunCom Yakima Police Department makes about 1000 stops per month and writes about 300 tickets from those stops.
    The trauma fund is about $17 million per year. DOH has to keep spending within appropriation and revenue received so every year they develop a spending plan which is guided by cost studies. Funds are distributed to acute hospital care, acute hospital participation, rehab hospital participation, and EMS participation. MPDs receive a monthly payment. The bulk of the fund, however, goes to supplemental Medicaid payments for trauma (hospitals and physicians). The Cost TAC is working on sustainable emergency care funding and workforce development. The group discussed options for funding. They are putting together a funding proposal for the next legislative session. The trauma fund funding mechanism hasn't changed since the 1990s.

- **South Central Region**
  - ✓ Broad overview of the Emergency Care System to include rules. Clarification that PCPs and COPs are operational in nature and protocols are clinical.
  - ✓ Review of training grant dollars and reminder to be submitted before June 1, 2024.
  - ✓ Discussion on council vacancies. (Yakima County is solid)

SunComm: Erica McNamara

- **ProQA & EMD**
  - Still waiting on the County to finish up the Purchasing process.

Department of EMS: Tony Miller/Jeremy Rodriguez
Tony Miller

- We have 600 doses of Narcan to give out to responding agencies. If you have doses that are close to expiring contact the EMS office and we will exchange those and give the doses that are nearing expiration to Yakima Fire Department or Wapato Fire Department. The City of Yakima Fire Department is using approximately 150 doses a month. The fire department reported that about one half to two thirds of the overdoses they are going on, have NARCAN on board prior to their arrival.

  If anyone wants to do the "Leave the Behind Program" contact the Yakima Health District, and they will do the paperwork for you. The questions on the forms were reviewed. If you can, give away the injectable NARCAN vs the nasal NARCAN, as the State can purchase 3 to 5 injectable NARCAN doses for the cost of 1 nasal NARCAN.

  Lucas Devices are in we are planning on training in January. Stryker will come in and do a train the trainer. Then we will come out and make sure the training officer knows how to use the Lucas Devices and then the training officers will train the providers. We will have 2 here to

Draft

use for training the EMT course students. We will also have enough Lucas Devices for every station in the County, as Fire District #5 has already purchased some.

April 13th, Full Scale at PNWU Active Shooter Drill.

May 11th, Full Scale Airport Exercise. 60 patients.

- Fall 2023 EMT Course – Jeremy Rodriguez
  Fall EMT course wraps up next Thursday. We are going to get them all set up for NREMT this week. Not responsible for any OTEP 2023.

- Winter EMT Course – Jeremy Rodriguez
  We have 20 students signed up. We had the CPR day, and orientation. We have them working Ninth Brain and JB learning prior to class.

Yakima Health District: Andy Wilson
Emerald Circle in Wapato has a COVID outbreak. There are currently 65 patients at Emerald Circle and 45 of those have COVID.

6. Old Business:

A. Update on Memo of Understanding between County and those agencies with "No Mans Land" – completed.

B. Update on contract between AMR and Yakima County. Still in negotiations.

7. New Business

A. Nominating Committee – Dave Lynde reported that at our last meeting we did not appoint a nominating committee. Dave has found nominations for next year, to assist in the process, as these will be the officers for next year, as long as the Council is willing to accept these nominations. The council members agreed to accepting the following nominations for next year:
Chair Elect Sarah Dowen (Chair in 2025)
Diane Koch for Secretary
Wayne Guckert made a motion to accept the nominations as presented and elect those presented into the positions they were nominated for, seconded by Erica McNamara. Motion passed.

B. Committee to review the Bylaws. Dave Lynde, Ken Eakin and Treena Russell
Crystal Hedrick asked if she can be listed as the alternate for either Sarah Dowen or Tiffany Hanshew. Dave Lynde stated our past practice was to alternate between the Upper Valley Hospitals and Lower Valley Hospital.
This was easier because there were 2 separate hospitals in the Upper Valley and 2 separate hospitals in the Lower Valley. This has now changed so that there is only 1 Upper Valley and

Draft

Astria owns both the Toppenish and Sunnyside Hospitals.
We will have to review our bylaws and make appropriate changes.

C. Jim Johnston West Valley Fire Department stated there has been some discussion at both the fire commissioners and fire chiefs' meetings regarding a disconnect between the 911 systems. Valley Dispatch does the dispatching for the fire departments in Yakima County. Yakima Fire Department and Yakima Training Center Fire Department use SunCom for dispatching. Jim has spoken with Chief Ken Shipman, Fire District #5. There have been some changes in the last few years that are affecting Valley Dispatch, in particular addresses. Erica McNamara reported that they have discussed this, and it is a complex technology issue that they are facing. They will be meeting and working on this issue and any others that need attention.

8. Good of the Order:

A. Treena thanked group for this past year.

9. NEXT MEETING – February 1, at 14:30

In Person Location: 2403 S. 18th Street, Classrooms, Union Gap, WA
Zoom information:
Topic: Yakima County EMS & Trauma Care Council
Time: Feb 1, 2024 02:30 PM Pacific Time (US and Canada)
