Agency Report:

- Dave Lynde reported on time compliance for the month of April. Code response for February was 95.35% and in compliance, zone 5 was the only zone out of compliance at 73.6.

OLD BUSINESS:

- Dave talked about doing standbys for fires and law enforcement. Dave is concerned that doing these standbys could affect his time. Dave requested an exemption when doing standbys. It was discussed that the ambulance at the standby not be dedicated to the incident. If the standby ambulance responded to a call another ambulance would be back filled in. Another option Dave offered was for the supervisor to do the standby with ALS equipment. This item has been completed
- Re-evaluation of zone 5, it was requested to do a mapping of the 10 minute response area.
- Rate increase – deferred to County legal

- GOOD OF THE ORDER: No good of the order
