2026 OTEP Workshop Makeup Schedule

Rules for Workshop Makeups

There are several opportunities each year to attend a missed workshop, therefore official makeup workshops must be attended.

No more than 2 workshops may be made up in a single day. NO EXECEPTIONS

Pre-registration, no later than one week prior to a makeup , is required to attend. If you are not pre-registered, you will not be able to attend. This will be strictly ENFORCED. We are requiring pre-registration to ensure that enough supplies and instructors are available, as this has become an issue.

Schedules are subject to change without notification

Remember that with our new OTEP schedule, the Module in Ninth Brain and the corresponding Workshop are due quarterly.

If you complete your workshop or online modules late, you will be out of compliance and will have to recertify under the "traditional/CME" method. This means you will still have to complete your training, either OTEP (which is coverted to CME or by completing your training elsewhere). In addition, you will have to take a National Registry Assessment Exam, at your own cost.
